

Saint James Campus and Amenities

Restrooms are located on the first and second floors of the parish house. There is also an ADA bathroom on the first floor of the parish house.

Restrooms are located on the lower level of the church. They are accessible via the narthex elevator or the steps next to the Chapel. There is also an all gender family bathroom accessible near the sacristy.

An elevator is located in the narthex. It provides easy access to restrooms and fountains on the ground level.

Assisted access entrances are on the south side towards the rear of the building of the parish house and at the top of the ramp on the north side of the cloister.

Accessible parking is available on Duke Street.

Water Fountains are located on the lower level of the church outside the restrooms.

A private area for feeding babies is available in the parlor.

Automatic external defibrillators are located in the hall outside the forum room and in the church in the hall outside the narthex.

First aid kits are available in the parlor, on the back pew in the sanctuary, and outside the forum room.
